What is CleanContain?

- Simple & Safe Sanitary Napkin Disposal
- Sealed cartridges ensure no exposure to blood-borne pathogens
- The entire refill cartridge is replaced when full – no cleaning required
- Freshly scented, anti-microbial cartridges combat odor & blood-borne pathogens
- No more overflowing units or trash laden floors

Why Choose Clean Contain

- No cleaning required
- Cartridges contain anti-microbial additives
- Each freshly scented cartridge combats odor
- Biodegradable Cartridges & fully recyclable bases
- The sealed cartridge safeguards against harmful bloodborne pathogens

Specifications

3.5 gallons (13 liters) capacity
28 inches tall by 6 inches wide

Maintaining a clean, fresh-smelling restroom is essential to your facility's quality image. The Continuous Air Freshener System from Kimberly-Clark Professional* makes that easy. Continuous fragrance that works around the clock Completely self-powered, no batteries to replace Easy to install and no moving parts that can break Lasts for 60 days on a single cartridge.

Available in Citrus, Mango, Ocean and Summer Fresh.

SPRAYScents™ 1000

Metered Aerosol Dispenser & Champion Sprayon® SPRAYscents™

This model has chemical-resistant plastic construction, a red usage-indicator light for 3,000 actuated sprays, a keyless “press and release” button for convenient refill, a can-out reminder and an alkaline battery life of 1 year (spraying at 15-minute intervals 24 hours/day, 365 days/year). Uses 2 “D” Alkaline Batteries.

These Aerosol Refills contain Ordenone™, a deodorizing ingredient that is an effective odor eliminator. The measured spray completely eliminates unpleasant odors and leaves a clean, fresh scent in the air, deodorizing up to 6,000 cubic feet. These aerosol refills are manufactured with a universal actuator tip and will fit most metered-aerosol dispensers.

Available in an assortment of fragrances.
